

NCCAUS User Groups Marketing Opportunities

Website: www.avsgroups.org

The Northern California Chapter AVS (NCCAUS) has four affiliated User Groups that provide forums for sharing technical knowledge and leading research. The following groups—Chemical Mechanical Polishing, Junction Technology, Plasma Applications, and Thin Films hold regular meetings during which members give technical talks on current developments in the field followed by a group discussion. Membership in each group is free and is not limited to AVS members. There are currently 2,500 User Group members and growing.

Members come from a variety of companies and disciplines. If you are interested in marketing your products or services to our members we now have two types of sponsorship opportunities available.

- Banner Sponsorship
- Meeting Sponsorship

Learn more about these opportunities below or contact NCCAUS, Heather Korff, 530-896-0477, fax 530-896-0487, heather@avsgroups.org, www.avsgroups.org

Banner Sponsorship

Banners are a great way to raise brand awareness among User Group members and other visitors who check these pages weekly for news on upcoming meeting and past proceedings.
